

PROJECT REFERENCES

	PROJECT NAME	NAME OF CLIENT	CONTRACT SUM	COMPLETION DATE
1	Solar water heating system for Recreation Center	UN Office at Nairobi	KShs. 5,400,000.00	March 2009
2	Solar Water Heating system for estate	Tamarind Meadows	KShs. 5,600,000.00	April 2009
3	15KW Off Grid Solar/wind System	Segeera Ranch	KShs. 12,000,000.00	August 2009
4	3KW Office Grid tied Solar PV System installation	LG Kenya	KShs. 550,000.00	Nov 2010
5	Oldonyiro and Usueni BTS stations solar PV system – 3KW each	Linksoft Communication	KShs. 5,000,000.00	Dec 2010
6	Solar water heating system for swimming pool	UN Office at Nairobi	KShs. 5,000,000.00	May 2011
7	Borehole drilling and equipping with solar pump at Nakwei Borehole	World Vision Kenya	KShs. 5,400,000.00	Jan 2012
8	Borehole drilling and equipping at Dabel	World Vision Kenya	KShs. 4,800,000.00	July 2012
9	Borehole drilling and equipping with solar pump at Garufa	World Vision Kenya	KShs. 4,600,000.00	Sept 2012
10	Borehole drilling and equipping with solar pump at Alkune	World Vision Kenya	KShs. 5,200,000.00	Sept 2012
11	Borehole drilling and equipping at South B	James Wambugu	KShs 4,000,000.00	Mar 2013
12	Borehole drilling and equipping at Langata	Tronjal Developers	KShs 2,000,000.00	Apr 2013
13	Borehole drilling and equipping at KIRDI Kisumu	KIRDI Kisumu	KShs 3,000,000.00	Sep 2013

14	Borehole drilling and equipping at 7 sites	South Nyanza Community Development Project	KShs 7,357,000.00	Sep 2013
15	Borehole drilling and equipping at 7 sites	Lake Victoria South Water Services Board	KShs 6,401,500.00	Nov 2013
16	Borehole drilling and equipping with solar pump at Makumba - Malindi	World Vision Kenya	KShs. 6,500,000.00	Dec 2013
17	Borehole drilling and equipping with solar pump at Baraka Jembe - Malindi	World Vision Kenya	KShs. 1,200,000.00	Feb 2014
18	Borehole drilling and equipping with solar pump	Jambo Toto Center – Awasi	KShs. 3,800,000.00	Feb 2014
19	Borehole drilling	Nyamira SDA Conference	KShs 1,000,000.00	Feb 2014
20	Borehole drilling and solar water pumpingsystems at 5 sites in Samburu County	US Africa Development Foundation	KShs 10,000,000.00	Mar 2014
21	Borehole drilling at Kanyakwar	Kudho Primary School	KShs. 680,000.00	Mar 2014
22	Borehole drilling at Napuu	Rift Valley Water Services Board	KShs 4,700,000.00	May 2014
23	Borehole drilling and equipping with solar pump at Namanga	Oakdale Farm	KShs 1,200,000.00	Aug 2014
24	Borehole drilling at Borangi	Living Water Service Center	KShs 1,026,000.00	Dec 2014
25	Borehole drilling at Ngong Rd	Catholic Diocese of Kisii	KShs 1,800,000.00	Jan 2015
26	Borehole drilling at Awasi	Peter Mbogo	KShs 1,200,000.00	Jan 2015

27	6KW Solar PV system for borehole in Kisii	Hon James Ongwae - Governor	KShs 1,800,000.00	April 2015
28	Borehole drilling at Lodwar	Christian Outreach Ministries	KShs 1,400,000.00	Aug 2015
29	Borehole drilling and equipping with solar pump at Homa Bay	Hope School	KShs. 2,200,000.00	Dec 2015
30	Borehole and equipping with solar pump at Mithuluni	Machakos Rotary Club	KShs. 3,200,000.00	Feb 2016
31	Borehole drilling and equipping at Kibera	Free Methodist Academy Kibera	KShs. 2,100,000.00	May 2016
32	Borehole drilling project at Konza	Charles Mweresa	KShs. 825,000.00	May 2016
33	Solar water heating for hostels - 3200L	Kebabii Teachers College - Malaba	KShs. 1,300,000.00	Aug 2016
34	Borehole drilling and pump installation	Mr Enock Monda – Kisii	KShs 1,400,000.00	Aug 2016
35	Borehole drilling and pump installation	Mr Zaccheus Ombongi – Kisii	KShs 1,200,000.00	Aug 2016
36	Borehole drilling and equipping with solar pump	Neema Womens Group – Poultry project Lokichar	KShs 3,500,000.00	Aug 2016
37	Solar water heating for 32 room hotel	Satellite View Hotel Webuye	KShs 600,000.00	Aug 2016
38	28kW Hybrid Solar PV system for Ngong town borehole	Lekurruk Limited	KShs 4,000,000.00	Aug 2016

39	90kW Off Grid Solar PV system for Malakisi Water Supply	World Vision Kenya	KShs. 13,200,000.00	Dec 2016
40	3no. boreholes drilling in Loitoktok	African Healthand Hope Inc	KShs. 3,500,000.00	Dec 2016
41	10000Ltr solar hot water tank and swimming poolheat pumps repairs	United Nations Recreation Center Gigiri	KShs 2,000,000.00	Dec 2016
43	20no. LED flood lights	WFP Somalia	KShs 400,000.00	Feb 2017
42	60000Ltr 15m water tower	Nairobi MilimaniSDA Church	KShs. 1,800,000.00	Mar 2017
43	20no. LED flood lights	WFP Somalia	KShs 400,000.00	Feb 2017
44	36no green tech/solar PV systems for health centres in Nairobi, Kakamega, Garissa and Homa bay counties	United Nations Office for Project Services	KShs 78,100,000.00	June 2017
45	80kW solar grid tied PV system	Internationa I Livestock Research Institute	KShs 13,500,000.00	January 2018
46	Tyaa River Water Supply Project - Mwingi	KIWASH	KShs 1,517,935.20	August 2018
47	Machururiati water supply project - Kisii	KIWASH	KShs 1,768,400.00	September 2018
48	Nyangoma Water Supply Project - Kisumu	KIWASH	KShs 4,105,027.20	December 2018
49	Osieko Nambo Water Supply Project - Siaya	KIWASH	KShs 8,520,000.00	April 2019
50	Equipping And Solar System Installations At Senior Ogle Girls Secondary School Borehole	World Vision Kenya	KShs 2,160,250.00	September 2019
51	Mumbuni Katwala Water Supply Project - Mwingi	KIWASH	KShs 2,540,680.00	October 2019
52	Equipping of Maaini Borehole water project	AMREF	KShs 944,772.00	December 2019
53	Installation of solar powered booster pumping station at Mutomo for River Athi in Mutomo	World Vision Kenya	KShs 3,112,500.00	December 2019
55	Olgulului BH solar Installation Kajiado County	AMREF	KShs 1,577,120.00	February 2020
56	Installation of Lago and Abdisamad Boreholes solar pumping system	UNICEF	KShs 1,950,000.00	March 2020
57	Equiping with solar PV & Pump , equipping borehole and shallow well Asako, Sala, Manzini, Kibubusu, , Wolesorea ,Dhalu and masguda	World Vision Kenya	KShs 5,554,500.00	November 2020
58	Installation of solar pumping system at Charomonje Water Pan	World Vision Kenya	KShs 1,040,000.00	December 2020

59	Supply and installation of solar powered pumping systems at Marukusi Community Borehole Matete	World Vision Kenya	KShs 1,172,600.00	Jan 2021
60	Solar Lighting System At Yabicho, Malkamari And Kiliweheri Sites In Wajir County	World Vision Kenya	KShs 1,996,100.00	March 2021
61	Installation of solar pumping system at Kapkaram borehole	World Vision Kenya	KShs 3,053,040.00	September 2021
62	Installation of solar pumping system at Alangoder borehole	World Vision Kenya	KShs 2,244,550.00	September 2021
63	Installation of solar pumping system at Lumami borehole	World Vision Kenya	KShs 698,600.00	November 2021
64	Construction of 3no. cattle troughs in Amboseli	World Wide Fund for Nature	KShs 2,799,660.00	December 2021
65	Kiboki water Project – Solar pumping, pipeline and masonry water tank	World Wide Fund for Nature	KShs 3,491,400.00	February 2022
66	Installation of solar pumping system at Meri borehole	World Vision Kenya	KShs 1,996,600.00	June 2022
67	Installation of solar pumping system at Karu borehole	World Vision Kenya	KShs 1,090,000.00	June 2022
68	Installation of Chlorine Dosing Units at Alangoder and Meri Water projects	World Vision Kenya	KShs 640,000.00	September 2022
69	Drilling and Equipping Borehole at Her Lab Morpus	Circle Group Limited, HER Lab Project	KShs 5,984,380.00	February 2023
70	Installation of Solar Pumping System at Nabeye Borehole	World Vision Kenya	KShs 1,899,359.00	May 2023
71	Installation of Solar Pumping System at Qarsahama Water Pan Project	World Vision Kenya	KShs 1,860,800.00	July 2023
72	Installation of Chlorine Dosing Units at Qarsahama, Gagaba and Medina Water Pans	World Vision Kenya	KShs 1,322,400.00	July 2023
73	26kW solar pumping system at Arpolo Primary School borehole	World Vision Kenya	KShs 4,855,500.00	October 2023
74	Borehole drilling at Maji Moto Narok County	World Vision Kenya	KShs 2,074,00.00	November 2023
